**Hillclimb:** Looking for alternative Hillclimb sites. Eric has 2 more potential sites, he will investigate further for permission. Possible 4 mile road.

**Old Business:** Jeff looked into renting the Lynn county (Albany) fairgrounds this year, sounds like a possibility, we would need to make sure our noise level is under the legal decuple because of neighbors. We will sign a contract 1 mo. Prior so we will have the site locked in.

Possibility of contacting spirit mountain as an option for a new site. Eric will attempt to ask.

Make-up Shootout will be in June.

James suggested using a different high school for our \$200 donation because the shop teacher we worked with did not show up. Bob suggests that we go back to donating to the band.

Scholarship program- we would be setting up our own program similar to those we reviewed last month. Still looking into this...

Possible site- Nike Factory in Wilsonville, Charles will investigate

**New Business:** We are going to start putting PAX times on the website for fun.

Go Kart track has been redesigned. Barry says it was fun, but different.

Equipment- Jeff wants to organize and inventory our equipment. It is important for the chair and co-chair to know we have these things and how to use them and where to find them.
