**Trailer equipment:** Barry found that a 7x14 cargo trailer is about \$6,600.00 for an idea of what we can afford. It's big enough for a Datsun to fit in. It would have brakes.

**Suggested committee:** Duties list for Chair and Co-Chair of an event. Members- Mike Grant, Paralee Grant, James Harris, Ripley Bryant, Jeff Leclaire. Goal to have a draft by next meeting

**Contact List:** Jeff will compile a list by passing around a sheet at the next few meetings. You do not have to give your # if you don't want.

**Website:** Results are up!!

**Autocross:** Sunday's autocross was a great event!!! Weather was great. There was lots of help. Thanks to Ripley for going the extra mile to get things taken care of.

It would possibly be nice to have an outhouse at the fair.

Vancouver mall parking lot is huge and flat and empty.

**Hillclimb:** We are still waiting to hear on the permits for the hillclimb. The food may be too expensive at \$15/person.

**Old Business:** James went to the Shootout and the 5" readerboard was a lot clearer than the 8" readerboard.

Ribbons suggested that we register, get a #, charge \$10 for a trophy good for the whole year. The money goes into the trophy/ribbon fund. Also an idea

**New Business:** Suggested that the chair and co-chair get to run their points for free. It may encourage people to participate. Motion to allow this: Passed!!! Except, starts in 2010.

**Announcements:** Jet boat races are coming!!!

**Swap and Sell:** Mike has a 1983 Dodge Ram-50 for sale. He wants \$1,000 or best offer. Also has a Datsun L-20 motor for \$200.
