Attending Members: Michael Grant, Paralee Grant, Charles Cope, Jeff LeClerc, Barry Warren, Connie Macintire, Ripley Bryant, James Harris, Stephanie Harris,

Committees Information / News:

Website: Hillclimb results are up.

Autocross: We need to reserve the fairgrounds ASAP. Aug would be good for independence site if possible. James has spoken with Brian at Capitol, and he is OK with the idea. He is running it by the owners. It is a big possibility.

Hill Climb: Big plans for the hill climb next year. There will be a manned table at each one with information about the hill climb. You will have to travel in order to race in the series. Tentative schedule: Cascade Lakes June 19-20, Freezeout Hillclimb June 26-27, Larison Rock Hillclimb July 3-4, Bible Creek Hillclimb Aug. 14-15, Bogus Basin Hillclimb Sept. 4-5. James and his dad will be testing the new antenna for the hill climb. We need to ask Astoria what it would cost us to make us a set of sensors or to buy theirs to use with the red box as a backup.

Old Business: Banquet- Jeff thanks to everyone for working so hard. The room in the back worked very well for us.

The black box is invaluable to another club. James brings up that the black box allows us to continue running even if we have an issue with the box. Chris says he will not run timing and registration if we get the box.

We decided to buy 3 batteries for the autocross radios, which we voted on last year.

New Business: We will be taking the food to the Nestucca Fire Department on Sat. We are meeting at Winco at 7 to buy food Friday. Passed to give \$703 to Nestucca. We should give them a check for the repel kit.

We need to decide on dates for next year. For Drive-in and camping, etc. We are gonna try for June.

Eric and Andronica have offered to host a barbeque at their house next summer. Mike will get more details.

It was suggested that we use our banner at our autocrosses.

Bob says we should have a car show or something on the side to bring people in. We could advertise. There are magazines like Drive that we could use. We may not be able to advertise according to the fairground rules.

Connie puts cards in any hot cars she sees. Mike wants to know if we can get some window decals and such for members. Connie will take the sticker example to see if we can get a vinyl cling made when she goes to have the new cards printed.
