

**Introduction of the Guests:** Brendan and Phillip

**Approval of the minutes:** yes

**Attending Members:** Chris Davie, Ripley Bryant, Connie McIntire, Barry Warren, Charles Cope, Paul Homewood, Stephanie Harris, Alex Rux, Bob Kramer

**Website:**

\* Ripley posted the results of the last autocross as well as the flyer for the May event and the March minutes.

**Autocross:**

\* Great job Ripley and Alex for the last event! Jason and Nate were a huge help from set up to take down. Thanks so much for your help!

\* The reader board still isn't working. Ripley tested it at home and it worked great, but it wouldn't work at the event. Chris requested that more attention be paid to making sure that there's enough help with registration.

\* We still need a chair and co-chair for the August event at the fairgrounds.

**Hill Climb:**

\* Bible Creek- Charles sent in for both permits and he got a letter back. The Nestucca access road will be closed. It will not affect the event, but it may affect travel to and from as well as traffic during the event.

\* Charles got the corner marker signs made.

\* We can purchase 8 handheld batteries for \$250.

\* We are still waiting on a check from NWAA for Mary Hill.

**Old Business:**

\* Charles hasn't bought cones. Barry found some local for the same price, around \$7.00 a cone if we get 100.

\* Club picnic is still an option.

\* No news from Chris on the banquet.

**New Business:**

\* Barry watched the Chump Car races. Charles had fun.

**Next Meeting Location:**

May 17th at the Keizer Station Round Table Pizza
