### **Committees Information / News:**

#### **Website:**

- Stephanie sent Ripley spreadsheets with the Hill Climb times and MPH speeds and he put them on the web site. Ripley also updated the Hill records.

#### **Autocross:**

- August 29<sup>th</sup> is our next event at McKay High School. Set up will be August 22<sup>nd</sup> at 7:30 AM.
- We're not sure what's going on with the September event since we don't have a site. James is trying to get the Albany Fairgrounds site.

#### **Hill Climb:**

- Hill Climb was a lot of work, but also a lot of fun! We had a couple of minor off road incidents, but luckily nothing serious.
- Due to the food quality decreasing and the price increasing, we are in the beginning stages of looking for another caterer for next year. If you have any ideas please let us know.
- James suggested that at least 1 or 2 people get licensed for the radios so we will always have a knowledgeable person on site to help with radio issues.

#### **Old Business:**

- Ripley is going to contact Race America about the 999 issue that is occasionally happening with the AC-4. Otherwise, it is working great!

#### **New Business:**

- The 4X4 club's meeting was right before the Hill Climb so James couldn't go, so he'll try to attend one soon.
- James wants ideas to renew interest in the club. Chris suggested weekly hangouts to get more interest in the club. Frank suggested doing some local advertising.

#### **Swap and Sell:**

John Harris has RX 7 wheels for sale

James Harris is still selling his Formula Vee

Frank Fields is selling quarter panel space on his Mustang. If you're interested, contact him with your offer!
