Introduction of the Guests: lots of kids and Darren

Approval of the minutes: Yes

Attending Members: James Harris, Stephanie Harris, Ripley Bryant, Charles Cope, Eric Jennings, Frank Fields, Barry Warren, Chris Wilcox, Tim Maloney, John Juhring, Chris Davie, Alex Rux, John Harris, Jeremy Plants and Mark Luebeck

Committees Information / News:

Website:

- It is time for renewal on the domain and the host-\$190.80 for 2 years for GoDaddy and \$30 for 2 years for the domain. Ripley is looking into moving the domain to Host Monster.
- James is going to email Ripley information about hosting with the same company that hosts Car Freeks.

Autocross:

- It's time to think about who is going to chair and co-chair the events next year.

Hill Climb:

- We have the date for the Bible Creek Hill Climb next year. It'll be August 19th-21st.

Old Business:

- Tomorrow night we will be at the WinCo on Lancaster at 6:00 p.m. to buy food for the food drive. Saturday morning it will be delivered to the Nestucca Fire Department.
- The banquet is Saturday at 6:30. The new club officers for 2011 will be announced then.

New Business:

- Charles went to Mary's Peak to check things out. It's still in the thoughts stage.
- Maryhill in Goldendale has been contacted and they said that we can rent the hill. \$1000 was quoted to rent the hill for a weekend, plus the cost of EMT's, hay bales, porta potties and a wrecker. The hill is 3.5 miles long and very well maintained. NWAA said that they would be interested in co-running the hill with WMC. They would pay \$1600 towards the cost and WMC would be in charge of timing. It has not yet been determined if there is onsite camping, but there is a state park and motels a few miles away. Ripley made a motion to look into it further and Frank ;-) seconded it. It passed, so Charles will work on getting a final price.

Swap and Sell:

RX-7 16x8 wheels for sale. Talk to John Harris if you are interested.

Chris is going to be selling his 1999 Porsche Boxter in the next 6 months or so. It has 140k miles, is in excellent shape and he is the only owner.

Next Meeting Location: Thursday, December 16th 2010 at the Keizer Station Round Table
Pizza
